**Re:** **Exhibit Prospectus, Education Support and Sponsorship Opportunities for 2013 International Conference on Eating Disorders**
**Hilton Montréal Bonaventure, Montréal, Québec Canada**
**May 2 – 4, 2013**
**Clinical Teaching Day, May 1, 2013**

The Academy for Eating Disorders (AED) invites you to participate as a sponsor or exhibitor at the 2013 International Conference on Eating Disorders (ICED), May 2 - 4, 2013, at the Hilton Montréal Bonaventure in Montréal, Québec Canada. Please view the AED 2013 Exhibit Prospectus, Education Support and Sponsorship Opportunities, Exhibit Space & Advertising Contract, and the Education Support and Sponsorship Contract.

The ICED has become the premier event for the eating disorders professional community, with a scientific program of unparalleled quality and robust attendance each year. The conference is one of the few meetings where practitioners and researchers from around the world gather to learn about empirically supported techniques for clinical management of patients with an eating disorder as well as cutting-edge research in prevention and therapeutics.

The 2013 ICED will include:

- **Generous Exhibit Hours:** This year's conference will feature more than 24 exhibit hours, giving you ample time to connect with attendees.
- **Unique Sponsorship Opportunities:** AED offers sponsorship packages at a variety of levels, with unique benefits aimed at providing maximum recognition.
- **The AED Community:** Your message will receive exclusive exposure with the high-level professionals who comprise AED. This event offers a unique opportunity to market your products and services to this interested and dynamic group of professional leaders and practitioners.

Please consider forwarding these documents to any colleagues who you think might be interested in exhibiting at or sponsoring the leading eating disorders conference in the world.
