

Recently discharged from treatment for anorexia nervosa? Join our study!

The Helping HAND study compares different post-acute treatment options for individuals with anorexia nervosa.

You may be eligible if you:

- Are a woman ≥ 18 yrs
- Own a mobile phone
- Are a U.S. resident
- Have been discharged from acute treatment for anorexia nervosa within the past two months

If you are eligible and decide to participate, you may be paid up to \$130.
