

UNIVERSITY OF  
CENTRAL FLORIDA

## **Potential Participant**

### **Benefits:**

Participants will be compensated for their time, with a **\$20 digital gift card** of their choosing (email address required).

### **Eligibility Requirements:**

Must be licensed and actively practicing psychiatrist in the U.S., (MD or DO);

Must be 18 years of age;

Read, write, and speak English;

Must have treated at least one (1) eating disorder patient in the last month.

### **Participant Expectations:**

Volunteers will participate in one interview via telephone or teleconference, lasting approximately 45 minutes, during the months of June – August 2023

Volunteers will be asked questions about:

*Current treatment practices in eating disorders*

*Barriers and facilitators to adhering to clinical practice guidelines for eating disorder treatment*

Volunteers will be asked to provide answers to demographic questions, such as race, gender, ethnicity, etc. to inform variables of the study.

## **Volunteers Needed for Research Study on Psychiatrist Adherence to the American Psychiatric Association's Clinical Practice Guideline for Eating Disorder Treatment**

- Are you interested in informing research about the barriers and facilitators to clinical practice guideline adherence for eating disorder treatment?
- You may be eligible to participant in a research study that will aid in understanding psychiatrist adherence to clinical practice guidelines, and barriers and facilitators to adhering to clinical practice guidelines, for eating disorder treatment.

### **Study Contact Information**

Participant demographic data collected will be kept confidential.

If you would like to participate in this research study or if you have any questions, please contact:

**Pamela Dow, MS**

PhD Candidate, UCF
